Issue XX. Subscribers: X,XXX

Thank you to Your Company for sponsoring this week's newsletter. Your Company is the marketing leader in solution-orientated architecture for aerospace applications. To my XX new subscribers, enjoy your first issue and, as always, if you have any comments, suggestions, or tips, please reply to this email.

Footer banner

It's like a little baby company - Swiss space tech company Beyond Gravity has accepted four startups into its Launchpad internal incubator programme. The four companies are Modulos, RevoAI, Rimon, and Gate Space. Over the next 8 weeks, the four nominated companies will conceptualize different use cases and test new approaches.
